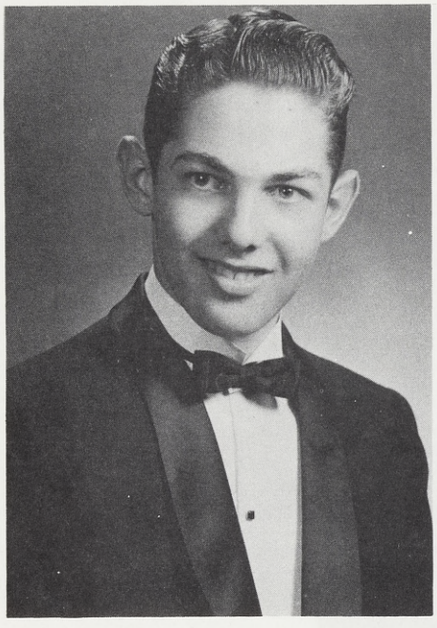
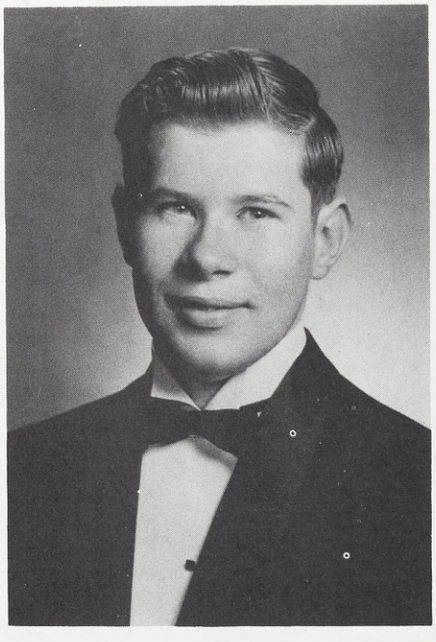
GRADUATES



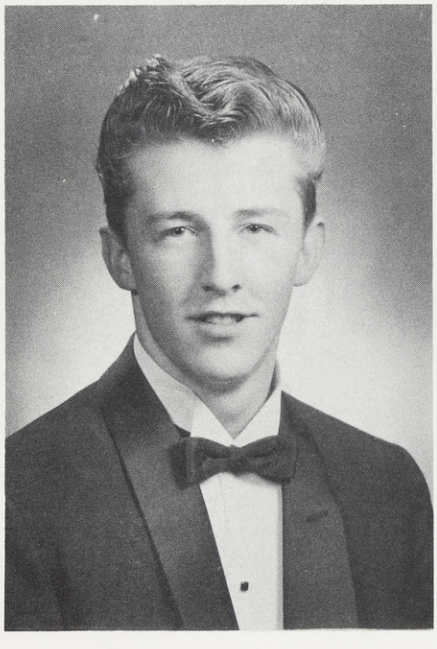
ROBERT BENJEGERDES

"Big Ben", though usually quiet and always good-natured, is an outstanding student with scholastic ability and activity participation. He belonged to the Sodality and was student librarian in '55 and '56. Bob blended his "golden" voice in the Glee Club as a Junior, and in the Variety Show's barbershop quartet in '56, '57, and '58. He also threw the Varsity discus for the track team in his Junior year. Bob plans to major in science at the University of California in the fall.



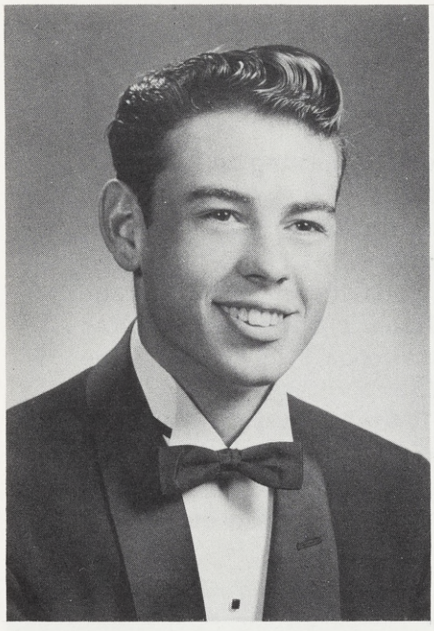
LAWRENCE BORELLO

Little Lonny has taken a great deal of ribbing from our class and has always come through it all still bearing his friendly disposition. He was a zealist Sodality member in '55, '56, and '57. The Variety Show called him in '56 as Mike Hallisey's husband in the fashion show portion. This year he has been driving a cool, oxidized, green Ford convert to school. After graduation he plans on going to Oakland Junior College.



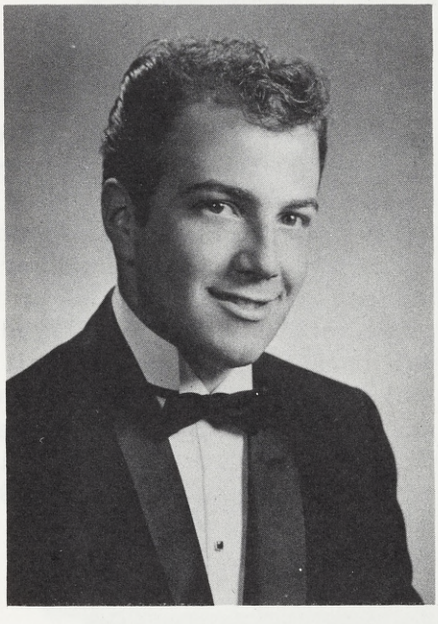
WILLIAM BURDETT

Bill made his debut at St. Joseph's in the Frosh year, at which time he was one of the original "Spades". He was later known for his full backing of school activities - especially dances. Work stopped him from participating in extra-curricular activities, although as a Frosh he was a Sodality member. His best friend seems to be "Lady Luck" for he is the only Senior with a single automobile violation, a parking ticket. Him? Bill expects to enroll at Oakland Junior College.



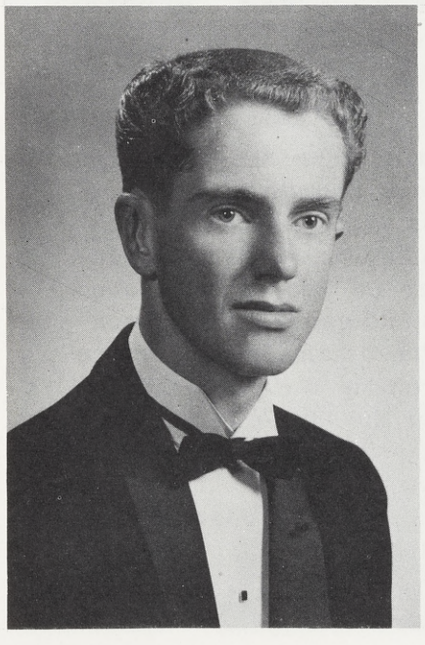
WILLIAM BURKE

A true crooner, Bill frequently roams the arcade and corridors emitting a noise which he calls music (debate anyone?). He was a Sodalist as a Freshman, and sang his vocal cords out of key in the Glee Club as a Junior. Bill likewise participated in the annual Variety Show for the last two years in singing groups. Finding time in his senior year, he was able to play the role of a "Romeo" in "Ask Me Another". Bill plans to enter Oakland Junior College in September.



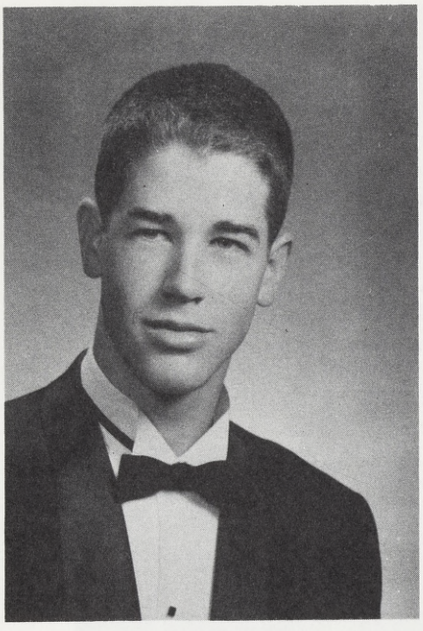
ROGER COELHO

"Crow" is a four year man at St. Joseph's. He started his first year, boasting the only visible beard among his classmates and earning the name of "Mustachio". In recent years he showed his connections in the "junky" business by obtaining all the needed parts for the class rods at a very nominal fee. This year his interests have changed and Roger (I mean Sultan) has been seen at all the dances with his entertainment squad. He won't forget St. Joseph's, and we won't forget him.



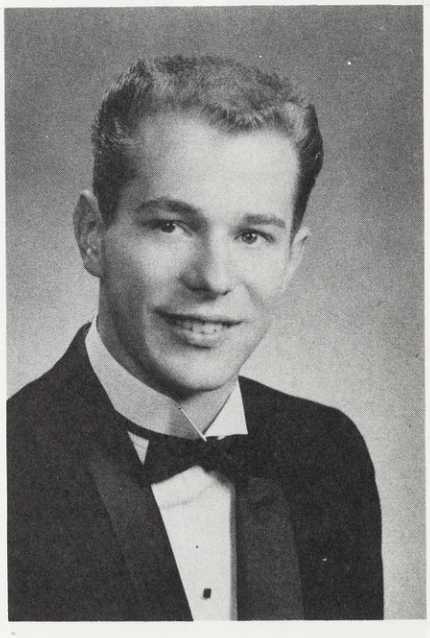
ROBERT CRAGIN

Bob came to St. Joseph's from Bishop O'Dowd in his Junior year (decided to raise his social standing). He then joined the Contact staff for a year; "acted" in two Variety Shows; played Varsity Baseball as a fielder, and earned Block Club membership in '57 and '58; and was Sports Co-editor of this year's Powerdive. He also takes his studies seriously as can be seen by his qualifying for life membership in C.S.F., after belonging to the group for each of the eight semesters. Bob will attend either Stanford or Santa Clara in the field of Business Administration.



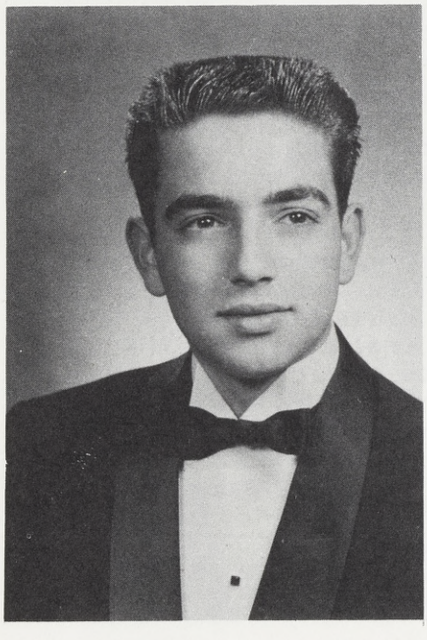
DAVID DONAHOE

Although outwardly appearing to be one of the laziest guys in class, Dave has probably spent some of the most active four years at St. Joseph's. Just listen----C. S. F. and J. V. Track as a Frosh; Sodality in '55, '56, and '57; J. V. Basketball as a Sophomore; Glee Club and Varsity Basketball in '57; and the Variety Show and Block Society during these last two years. His leadership was shown as Freshman A - president, Junior A - vice-president, and Senior secretary. Dave will enroll at St. Mary's College in September.



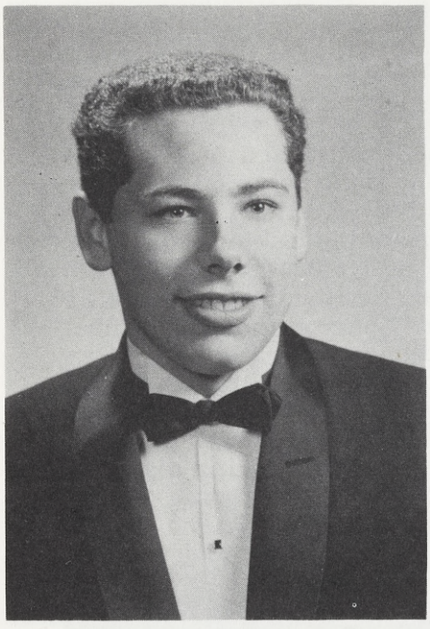
RICHARD DWELLY

Rich has proven himself to be one of the most versatile and energetic members of our class. As a Frosh he belonged to C. S. F. and the Sodality. Rich won the second place award in the annual magazine subscription drive in '56 and '57, and followed up by taking first place honors in '58. He played J. V. Basketball in '55; Varsity Basketball in '56,'57, and '58; and Varsity Track in '56 and '57. Three years in the Block Club and the Variety Show put the final touches to his high school efforts. Rich plans on entering St. Mary's College.



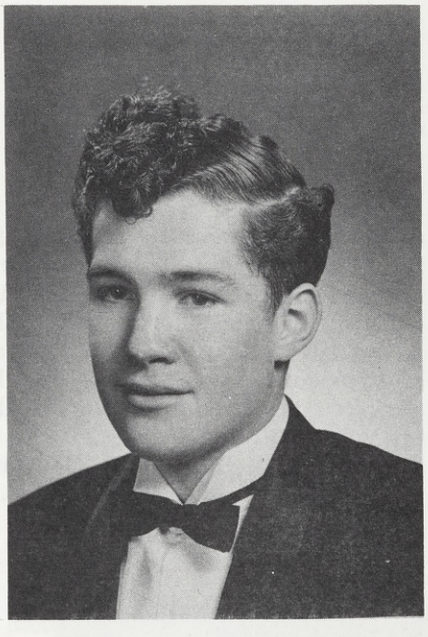
LEONARD ENSEL

"Doc" has usually been the unnoticed guiding light of dances and class activities. He was elected class vice-president both as a Freshman and as a Senior. Although an active Sodality member in '55, he still found time to hit the books and gain C. S. F. recognition both in his Freshman and Sophomore years. Len also drew up the Senior Class Will and Prophecy for the '58 Powerdive. He cats around in a sharp '55 Plymouth convertible (plays pedestrian polo too!). "Doc" will be going to either U. S. F. or St. Mary's College as a pre-med student.



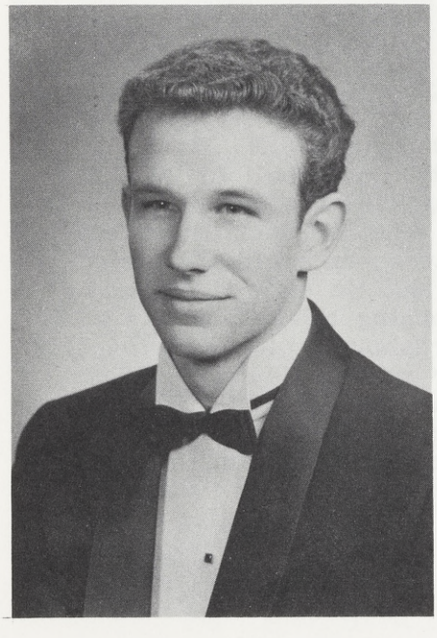
ANTHONY FASSIOTTO

Tony is the official class clown (just ask Father Mann!). He joined the Sodality and earned C.S.F. membership as a Freshman. During his first three years he played Varsity Baseball, wandering around in the outfield. His hitting and fielding "abilities?" earned Block Club membership for him in '56, '57, and '58. Although unable to play this year on account of a job (pumping gas), Tony still worked on the Powerdive Staff as Activity Co-editor. He would like to go to St. Mary's College.



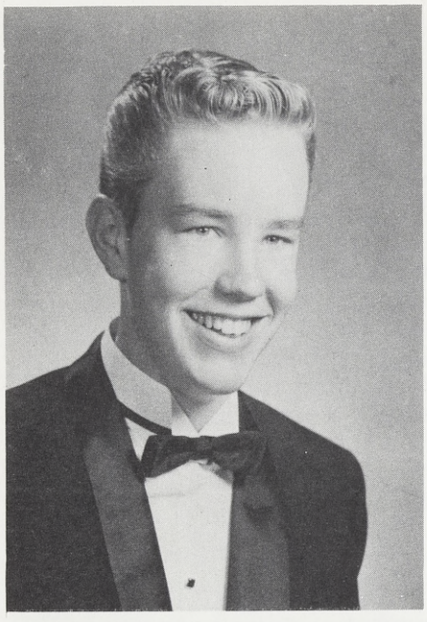
ROBERT FLAHERTY

Although being the quietest guy in class, Bob was well-liked by all. Cars seemed to be his prime concern, and he was usually sporting about in his '48 Chevy. His other interests included traffic school, traffic school, and more traffic school. It seems that he taught at the last couple of classes. He still found time to back school activities and was seen at many of the dances having a ball. After leaving St. Joe's Bob expects to "go army", getting the most out of it (if that is possible) by learning the mechanic trade.



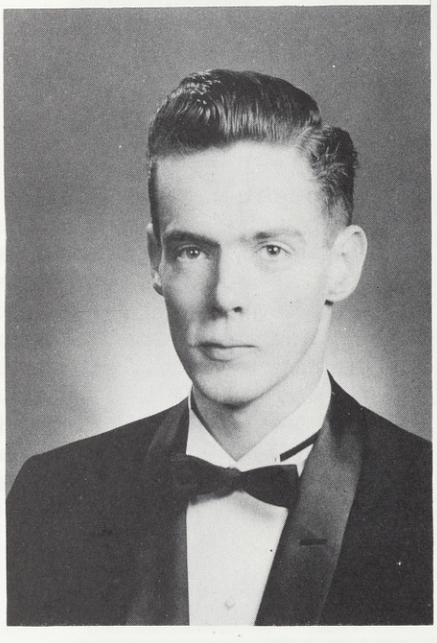
MICHAEL GERICKE

Mike made his appearance at St. Joseph's from Bishop O'Dowd in our Junior year. Getting immediately into the swing of things he joined the Contact Staff. He also took an active part in the Variety Show in '57, and '58. Varsity Track called him as a sprinter in '57. In his Senior year Mike was Varsity Basketball manager and belonged to the Block Society. He added his "two cents" to the cut-up section of the '58 Powerdive. After graduation Mike would like to study Architecture at the University of California.



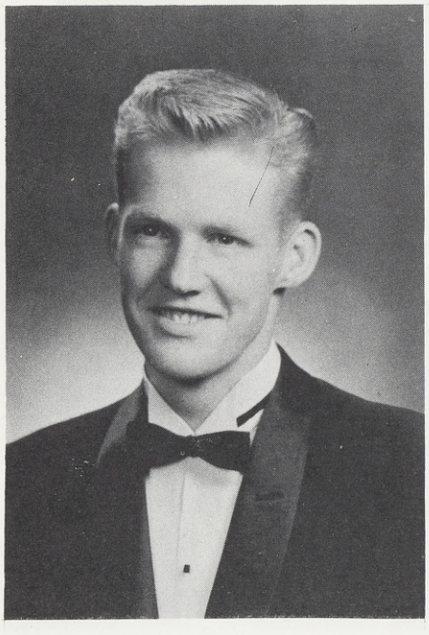
THOMAS GOLDT

"Mr. Basketball" sparked J.V. Basketball in '55 and '56, making ALL-CAL as a Sophomore. Breaking into the Varsity first string in '57, he broke his ankle during this year's first game and was lost to the team except for the last eight games, where he averaged 14 points per game and gained ALL-CATHOLIC honorable mention. Belonging to the Block Club in his last two years, Tom was secretary-treasurer in '58. He joined the Sodality in '55 and was class treasurer and Contact writer during his first three years. Tom will be entering either U.S.F. or St. Mary's College.



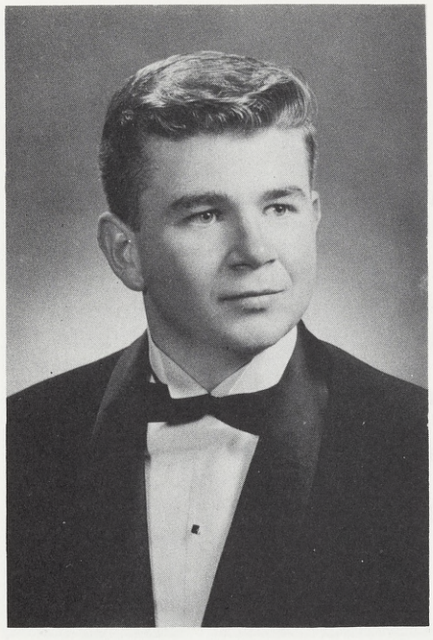
JOHN HALLAHAN

Having stuck it out for the past four years, "KuKu" has been on almost every dance committee possible -- Soph Hop, Junior Prom, the last two Christmas Balls, and the Senior Ball. He belonged to the Sodality in his Freshman and Sophomore years. Although working hard on the advertisement section of the yearbook, he has still found time to play his accordion in this year's Variety Show. After receiving his diploma, John wishes to take up Business Administration at St. Mary's College.



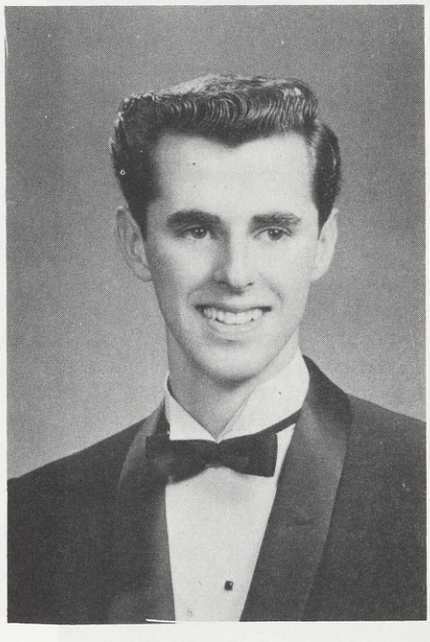
MICHAEL HALLISEY

"Hacker" high lighted J.V. Basketball in '55 and Varsity Basketball in '56, '57, and '58, receiving ALL-CATHOLIC honorable mention this year. A Block Club member for the last three years, Mike was elected president in '58. He showed his many interests by belonging to the Sodality and Contact as a Freshman, and the Variety Show for all four years. He was a class officer every year: secretary in '55; vice-president as a Sophomore; and treasurer for these last two years. Mike also served as Sports Co-editor of the '58 Powerdive. He plans to enter St. Mary's College.



PATRICK HENNEBERRY

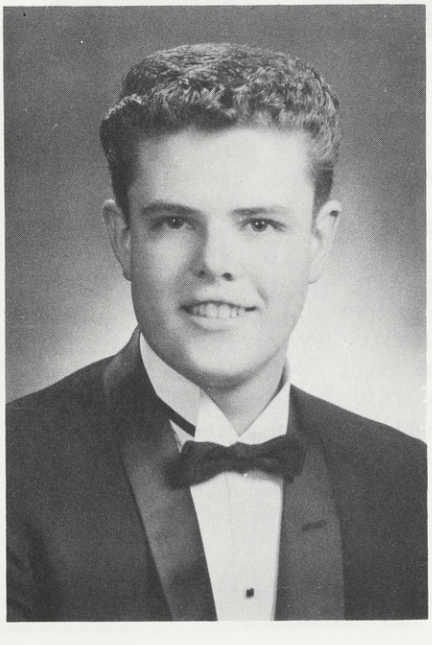
Carefree Pat is the "easy going" guy of the class. His practical jokes and innocent smile (ask Dwelly) have made him a hit with the class from the start. As a Frosh he joined the Sodality and took part in the annual Variety Show. His work on this year's "rags to riches" drive was the inspiration for the rest of the Senior class. Thanks mainly to Pat, we came in first - the fourth continual time for the class of '58. After graduation Pat will be going to Oakland Junior College.



JAMES IMMETHUN

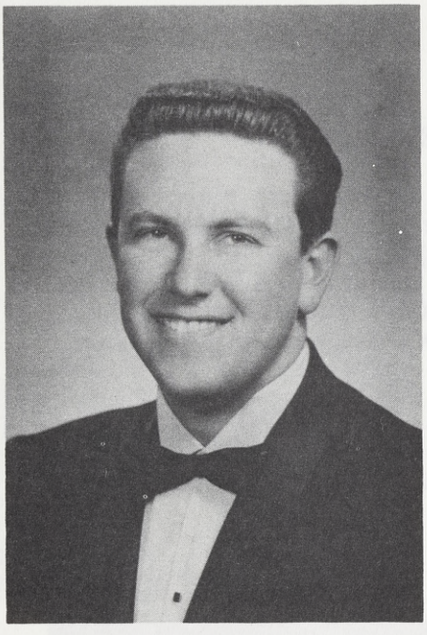
Fitting into the routine was easy for Jim when he joined us in his Sophomore year. His organizing ability was brought into the open with his work on the Soph Hop, Junior Prom, and Senior Ball dance committees. Jim's high standing with the class of '58 was shown when they chose him to be the Editor of the senior section of the '58 Powerdive.

His '49 Merc convertible can be usually seen parked in front of Holy Names after school (taxi service for free). Jim will be carrying the best wishes of the class with him wherever he goes.



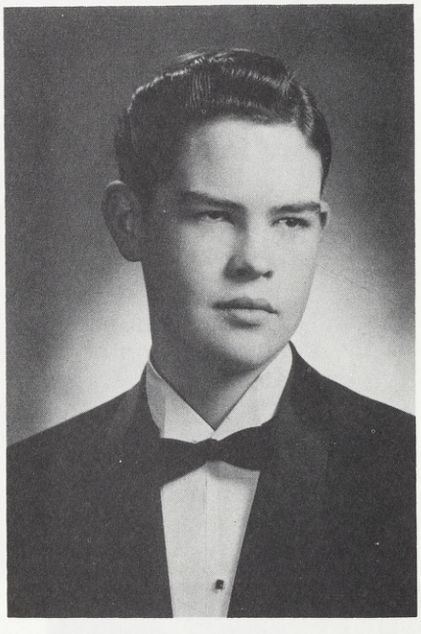
STEPHEN KALTHOFF

"Kal" came to St. Joe's in his Junior year, a homeless refugee from Bellarmine Prep. Even though he was usually too busy to find time for extra-curricular activities, he still found time to offer his "talents" to the Variety Show in '57 and '58. After school he can usually be seen pushing his '52 Olds home. Upon graduating Steve wishes to enroll at St. Mary's College in September to study in the field of Liberal Arts.



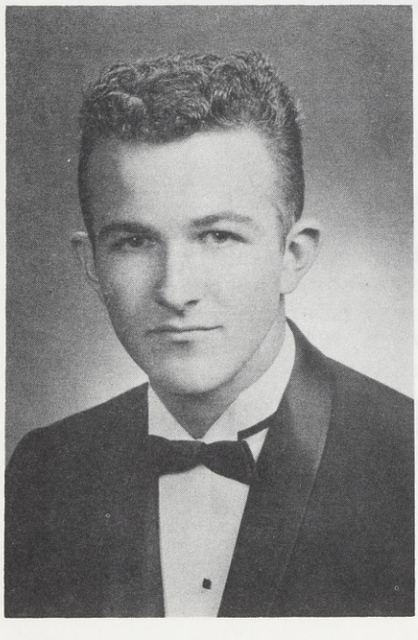
THOMAS KLINE

"Teak" is a ladies's man (honorary member of Holy Names' studentbody). Although working, on and off, he still found time to play J.V. Basketball in '56 and '57, and to distribute Contact as a Sophomore. Served in the role of Junior B class president and was one of the dainty dancing debutantes in this year's Variety Show. He also drags a "mean" '49 Olds. He worked in the cafeteria during all his four years (ate them out of spaghetti and French fries). After graduation Tom plans on leading a life of ease.



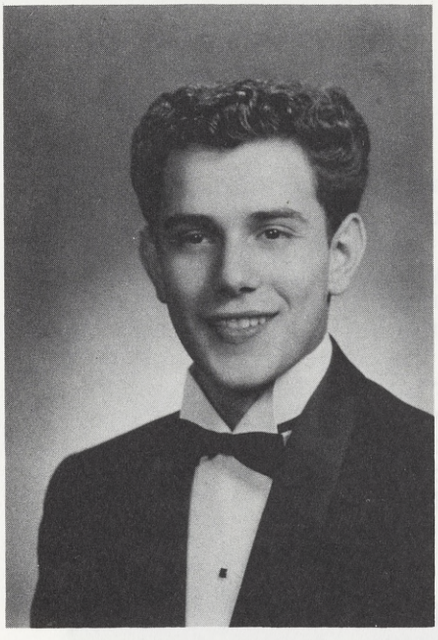
GEORGE McMAHON

Gary is a great guy with a fine personality and lots of school spirit. High grades earned C.S.F. membership for him in his Freshman year. Gary joined the Sodality and was on the Christmas Ball Committee in his third year. He went out for dramatics as a Senior, and was given a lead role in Notre Dame's play "Jenny Kissed Me". Gary plans to major in Business Administration at St. Mary's College in the fall.



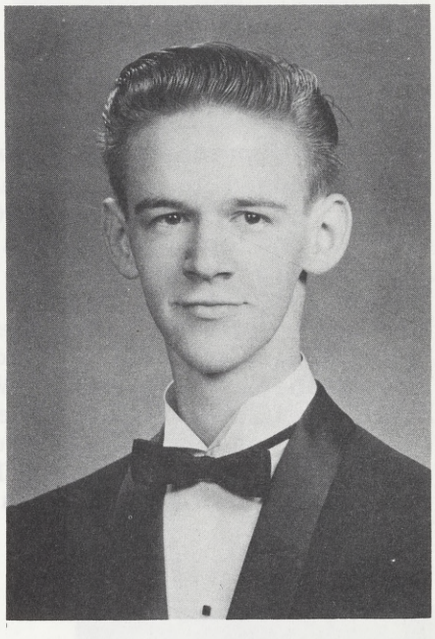
JOSEPH McNAMARA

"Mac" can best be described as one swell fellow, who will try anything once. In his Freshman year he qualified for C.S.F. and offered his legs to the J.V. Track team. In '56 he made Varsity Track in the middle distances. Joe took part in the Variety Show and Contact as a Junior. He will join the Navy upon graduation, and after his discharge (or maybe A.W.O.L.) he plans to enter college.



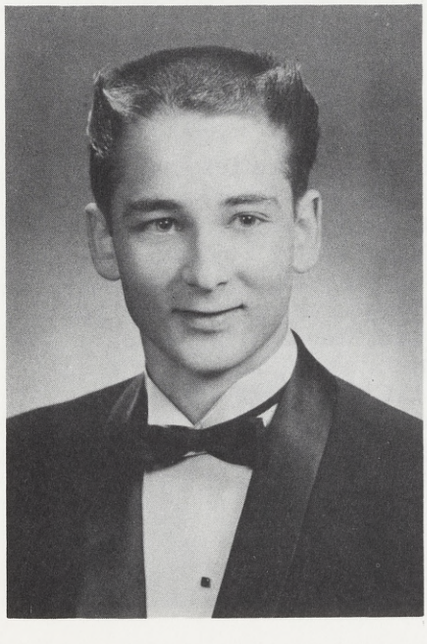
EARL MEDEIROS

A fine leader and well-liked by all, Earl held class offices each year: secretary in '55, '56, and '57; president of the Senior class. He also served on every class dance committee, as well as the last two Christmas Balls. As if this wasn't enough, Earl wrote the Freshman and Junior articles for Contact; acted in "Murder in a Nunnery" as a Sophomore; was in charge of the Underclassman section of the '58 Powerdive; and was a four year man with the Variety Show. Earl will enter St. Mary's College in September.



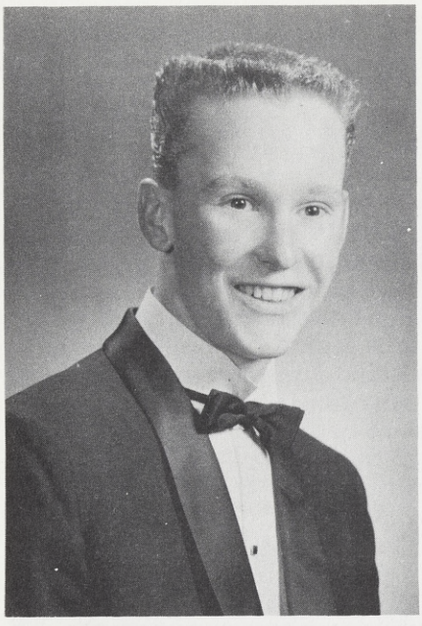
ROBERT MURRY

A wit, an actor, and a ham is Bob. He played Melchisedech in "Papa Behave" as a Sophomore, and as a Senior he played the part of a hood in "Ask Me Another" and the role of a lover in "Jenny Kissed Me". Bob was in the Variety Show in '55, '56, and '58; with Contact in '57 and '58 (he rates); librarian in '55, '56, and '57; and he also wrote for the '58 Powerdive. Bob plans to attend either City College of San Francisco or Oakland Junior College after graduation.



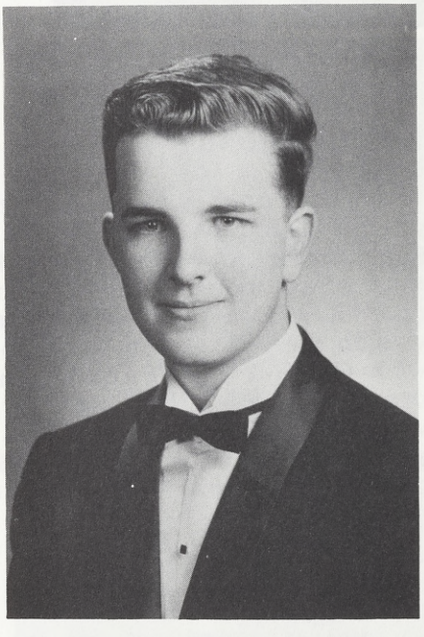
RICHARD NAHM

Rich joined us in our Junior year after fleeing from Bishop O'Dowd and fording the estuary. He wrote for Contact that year, and made the Varsity Track team, running the sprints in the Spring (but I am sick, Coach). Throughout his short time at St. Joe's he has demonstrated a sense of humor that will carry him far. Rich discovered the mechanical knowledge of getting 80 m.p.h. in second gear out of a '41 Nash (he merely adjusts the carburetor). It's the truth. Rich plans to enroll at St. Mary's College and study pre-dentistry.



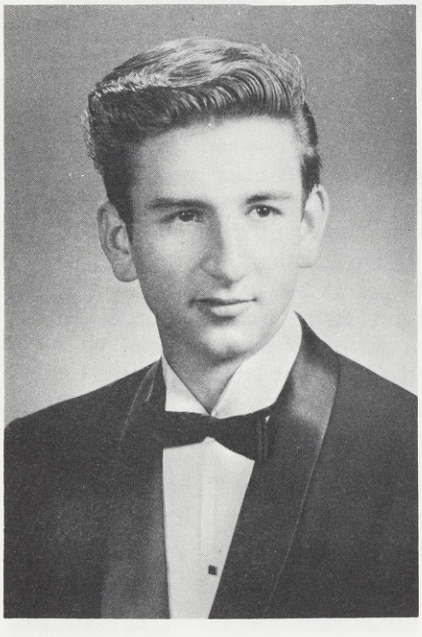
JOHN NOHR

Another "runaway" from Bishop O'Dowd, Johnny finally decided on St. Joseph's in our Senior year, the last new face in the class of '58. With his winning smile and magnetic personality it wasn't long until he was accepted as one of the boys. At lunch John entertains all with his spectacular spaghetti eating act. His car (or is it his cars?) leaves school at 2:15 every day in "automatic pilot" with John talking to someone in the back seat. His plans for the future include a stay at St. Mary's College.



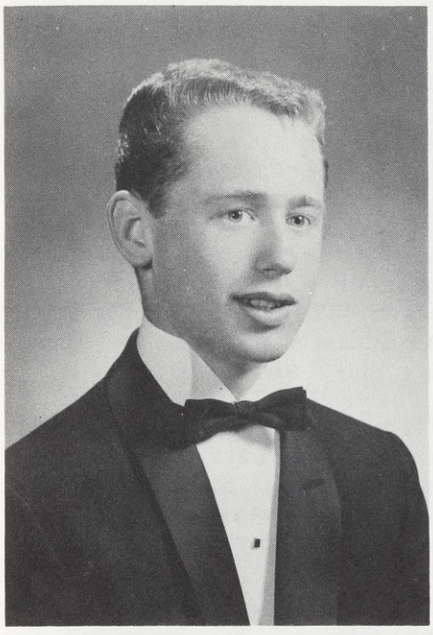
PETER O'SULLIVAN

One of our most active class members, Pete belonged to C.S.F. and the Speech Club as a Frosh; wrote for Contact in '56 and '57; and took part in the annual Variety Show in '56, '57, and '58. He was a Footlighter for these last three years: "Papa Behave" -- Rudolph, der Germane cook; "Meet Me in St. Louis" -- Daddy; and "Ask Me Another" -- Detective Weber is the name. The Irishman was on the Junior Prom Committee and served as Circulation Manager of the '58 Powerdive. Pete plans to study journalism at U.S.F. in the fall.



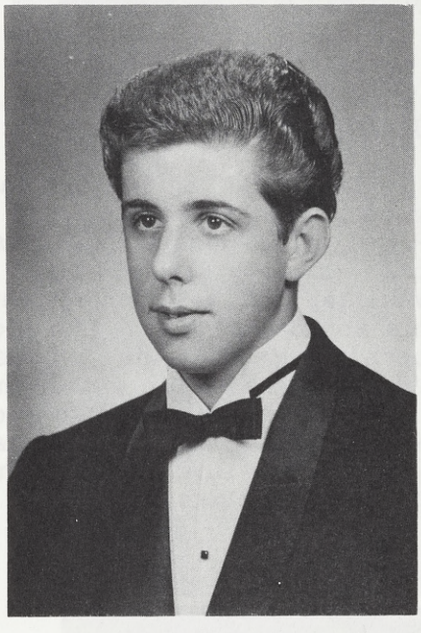
KENNETH PERRY

Ken joined us from Castlemont as a Sophomore (came for an ed-choo-kay-shun). He broke into the pilot spirit by proving his pitching skill on the Varsity Baseball team in '56, '57, and '58 (how about that earned run average?). Ken was a member of the of the Block Society for the last three years, and wrote for Contact as a Junior. He also drives a sharp '51 Chevy to school every day to build up the muscles in his right arm. Ken plans on going to San Mateo Junior College after leaving St. Joe's.



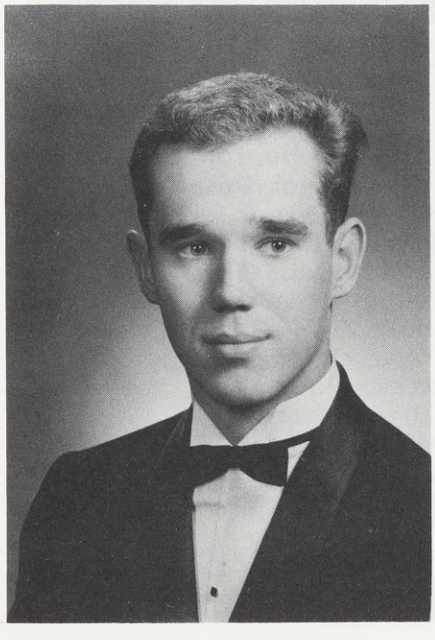
MICHAEL ROBERTS

For being a red head Mike doesn't have the temper, although he has the freckles. He has been a two year man with the Variety Show, '55 and '56. His real value though is his cheerful face and good word for everyone. Lately though he seems to be under the influence of Ralph "Indifferentism" Shannon, and he is heard raising his objections and telling his (true?) views in religion class. Don't worry, he is still with us. He was Activity Co-editor of this annual. Mike will be entering St. Mary's College in September to study to be a veterinarian.



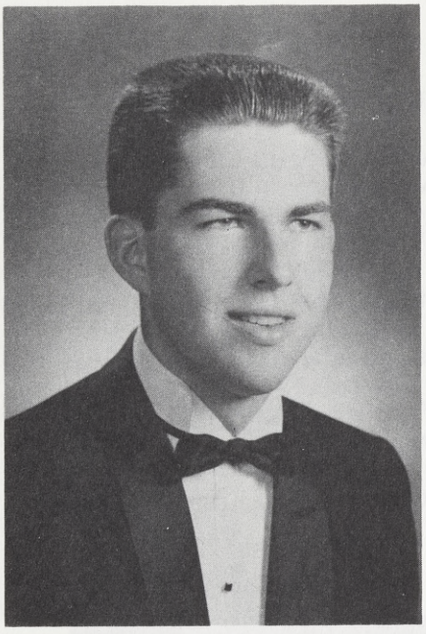
JOSE ROLDAO

"Demerits" can be called the teacher's pet, since he is always getting special attention from the instructor. He also seems to like roses, just about four. The "Flat Top" played J.V. Basketball as a Junior, and made the Varsity team in his Senior year. His "do or die" shot in the last seconds of the San Lorenzo game provided the two point margin of victory for us, 51-49. His efforts this year will procure the Block S.J. for him. Jose will enter St. Mary's College in September.



ROBERT SAAKE

If you are looking for spirit, ability, and true leadership, then you are looking for Bob. He leaves behind a record that speaks for itself: Freshman treasurer; Sophomore and Junior class president; studentbody president, this year; St. Joseph's delegate to E.B. Catholic Federation in '57 and '58, its president this year; C.S.F. in '55, '56, and '57; Dramatics in '56, '57 (Wolfman), and '58; Speech Club during all four years (secretary in '57), holds NFL Degree of Distinction; Sodality in '55 and '56; Contact writer for the last two years; and finally Powerdive writer in '58. Bob will go to San Francisco State College.

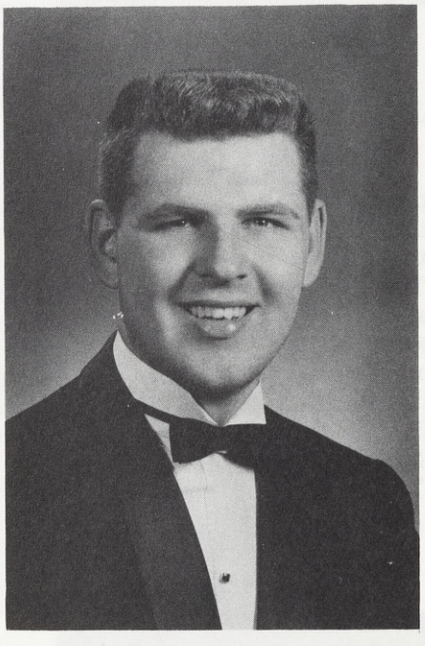


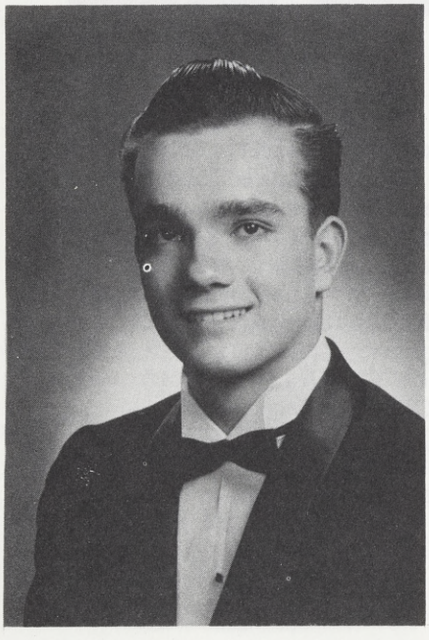
JOHN SARSFIELD

Brains, varied interests, and a spirit of drive...that's "Sars". Sodality for three years; Speech Club during all four years, veep in '57, he holds NFL Degree of Distinction; Dramatics in last three years; threw the discus in track--J.V. as a Frosh ...Varsity in '56 and '57; Glee Club as a Junior; Contact in middle two years; in '57 and '58 the Variety Show and the school's representative on the E.B. Junior Motion Picture Council, its veep this year; C.S.F. life membership; and last, but not least, Powerdive's Editor-in-chief. Dependability is his pass word, he always gives his "All". John is going to St. Mary's College.

JOHN SAVAGE

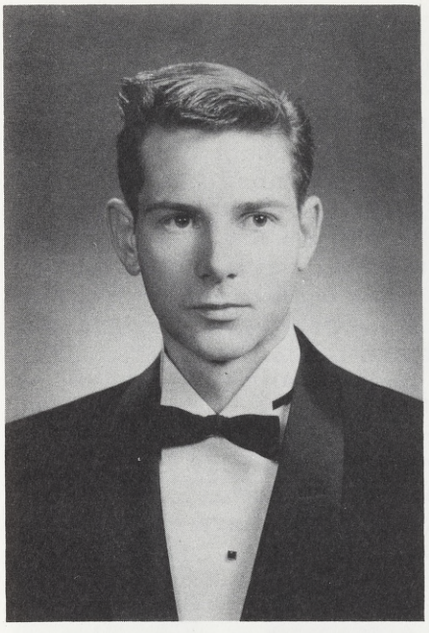
Height 6'3" and every inch filled with good will, "Bruiser" was the "have camera - will travel" man of the class. He was on the Varsity Track team, throwing the weights, and was Contact photographer in his Sophomore year. The pictures he has been taking during the past years were good enough to have him voted Photographer of the '58 Powerdive. Another of the original Pilot natives, he has outlasted the four years. John will always remain in the memories of the class of '58.





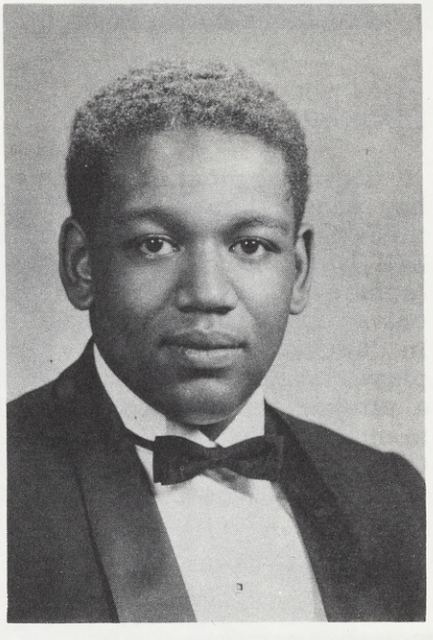
PETER SELO

Combine a pleasing personality with school spirit and you've got Pete. He was on C.S.F. and ran J.V. Track as a Frosh; a Sodality member in '55 and '56; on and off membership in the Speech Club all four years; in '56 on Contact's business staff and the manager of both J.V. Basketball and Varsity Baseball; went out for the Glee Club in '57 and the Variety Show in '57 and '58; Varsity Basketball manager in '57; Block Club membership and a role in "Ask Me Another" in '58, mark the end of a busy four years. Pete will study pre-med at St. Mary's College.



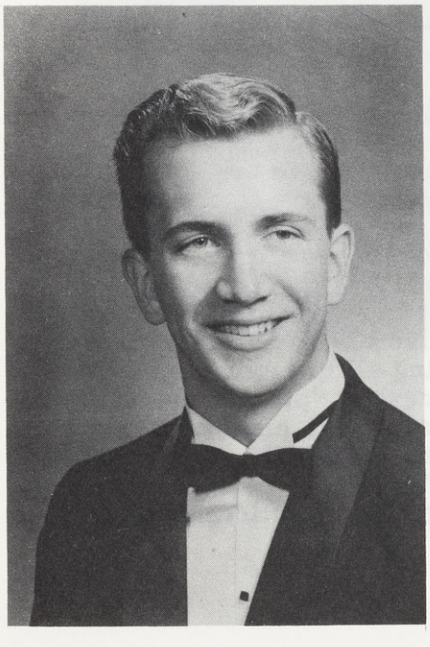
RALPH SHANNON

Hot rod magazines became obsolete when Ralph, better known as "Buzzard", came to St. Joe's. He can give the complete data on any car mentioned. He has helped out most in class activities, with a veep under his hat in the Sophomore year. His friendly smile and week-end parties brought him much fame in the last two years. It seems that St. Joseph's is not the only school Ralph has backed up, Holy Names is offering him a diploma also. Good luck to the "quiet man".



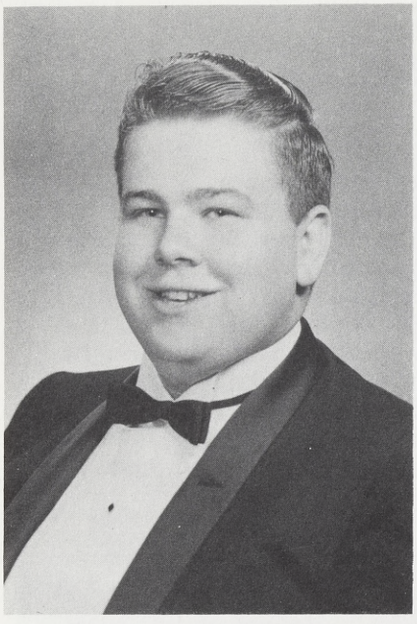
ARCHIBALD SHELTON

Archie spent four of the most restful years at St. Joseph's, restful because his eyes were usually closed in sweet slumber. He was elected class president in his Freshman year. Scheduled to take part in the '57 Variety Show, Archie got a swelled head (not pride but mumps) the day before it began, so he was unable to appear. He finally made the show in his last year though. His all a(round)appearance and good will gained him lasting friends from the day he first arrived in late '54. After graduation Archie plans to attend Oakland Junior College.



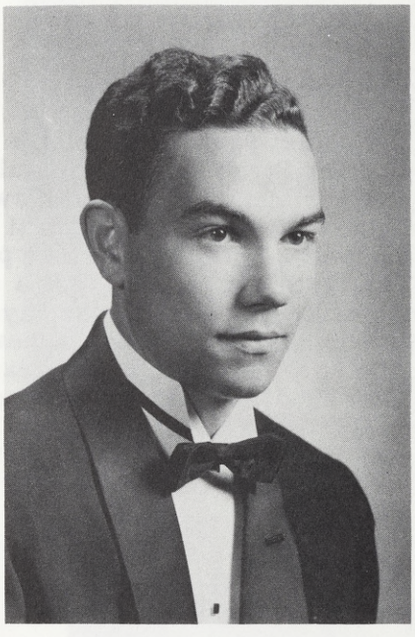
RONALD SMITH

Ron, another four year man, has always been characterized as quiet and good-natured. He made the Varsity Track team in his Sophomore year, running (or was it walking?) the 880 yd. run. In his Junior and Senior years he worked after school in his dad's hardware store (what a sneaky way to insert an advertisement), so he was unable to take part in any extra-curricular activities. Ron will enter St. Mary's College in the school of Liberal Arts in September.



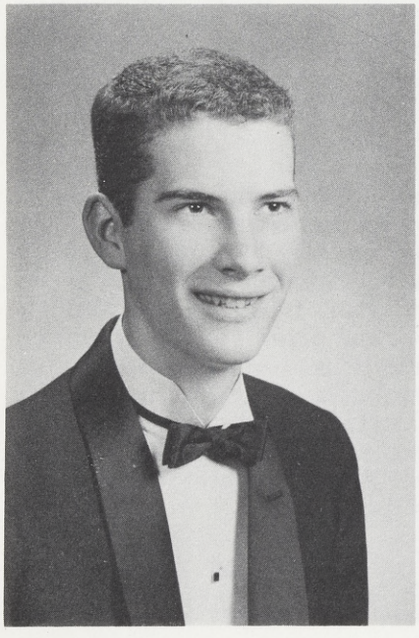
PHILIP STEINHART

Phil is an outstanding orator who has always demonstrated his school spirit. A four year Speech Club member (treasurer in '57), he holds the NFL Degree of Distinction and has been the backbone of the group since '57, when he started to collect trophies---Native Sons of the Golden West (county) '57, Y.C.S. extemp '57, Riordan extemp '58, American Legion (county) '58, etc. Three years in Dramatics and in the Sodality (president each year); Glee Club in '57; Variety Show in '56 and '57; Library Staff as a Frosh and Soph; and four years in the bookstore round out his stay at St. Joe's. He plans to use his talents where they will accomplish the most good.



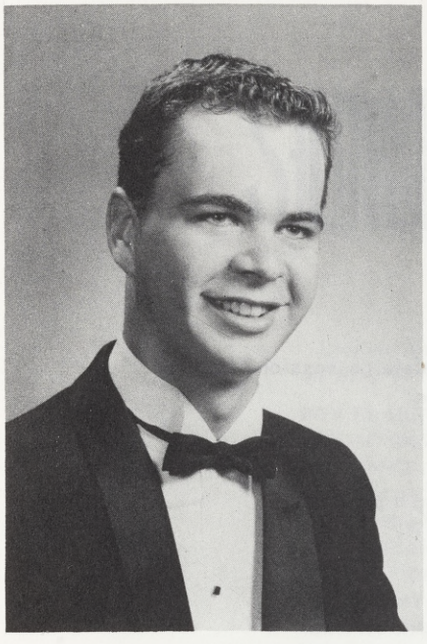
LEONARD TRAVERS

Devoting most of his time to sports, Len has proven himself a fine athlete. His first three years were taken up with J.V. Basketball, where he earned the name "Long Shot" (sometimes the ball even goes in). He received ALL-CAL second string as a Junior. In '58 he made Varsity Basketball. Len played Varsity Baseball for three years as a pitcher, and gained ALL-CAL honorable mention in '57 and '58. He has been a Block Club member for the past three years. Len will attend West Contra Costa Junior College.



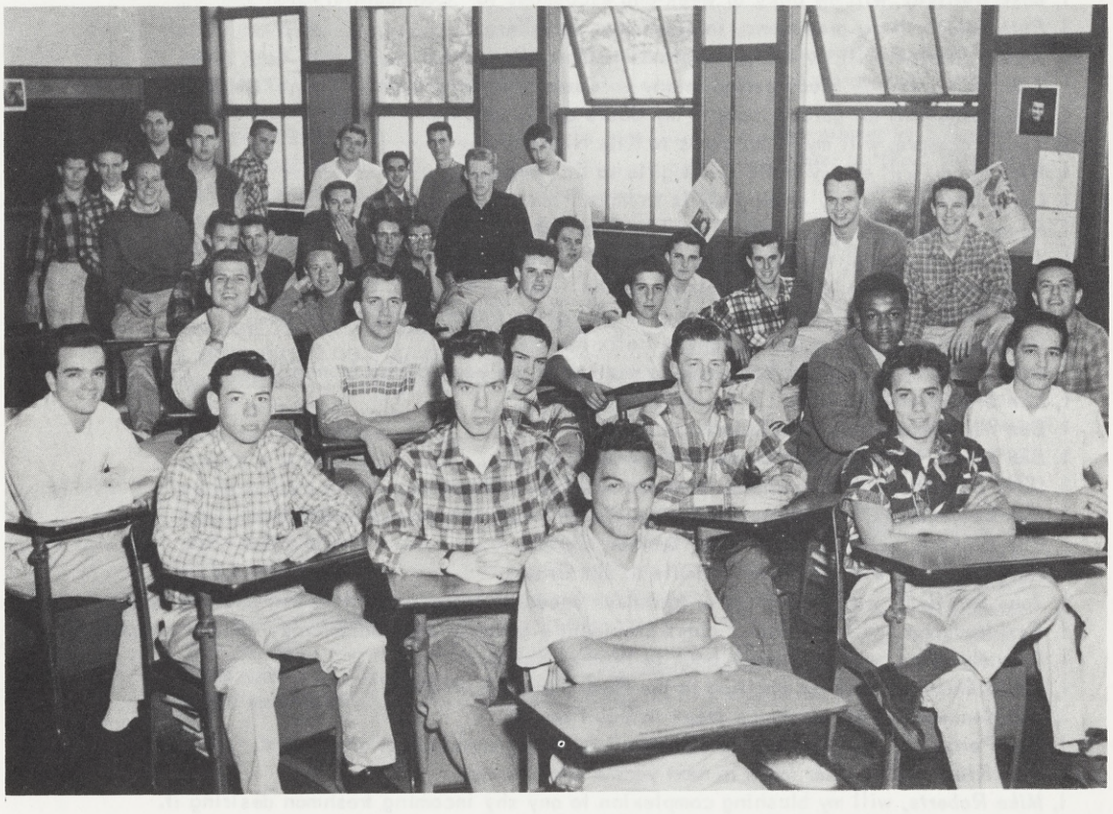
DONALD VERHEES

"Big" Don, the voiçe in the back of the classroom with the big jokes, is one of those fellows that can be called a regular all-around guy. He was on Contact as a Frosh; played J.V. Basketball in '56 and '57; was in charge of the cut-up section of this year's Powerdive; and also took part in the annual Variety Show during all his four years. Besides these interests, "the second of the Verhees' people" also digs modern jazz and souped-up cars (a '40 Ford?). Don will be going to St. Mary's College next year, with a goal of becoming an aeronautical engineer.



DANIEL WILLIAMSON

Dan came here from Piedmont in our Junior year (humility?). His greeting of "hey Jack" along with the other jive he speaks made him known throughout the school in only a matter of weeks. Dan was forced to sit out the basketball season during his Junior year since he had changed schools after a year of competition, but he played the first string center berth this year and gained his Block S.J. He took part in the '58 Variety Show and was the yearbook's artist. After graduation Dan will enrol at City College of San Francisco.



THE MEN OF '58

CHRISTMAS BALL

On December 18th St. Joseph's studentbody presented the annual "Fabulous Christmas Ball". The closed affair was held in the highly decorated grammar school hall from 9:00 to 12:00. Music for the semi-formal dance was provided by the well-known 5-piece orchestra of Maurice Wolohan.

The Dance Committee included Earl Medeiros, Bob Saake, and John Hallahan. The Senior class had the bids printed and took care of the decorations. The Junior division was in charge of the business affairs and publicity. Refreshments were served by the Sophomore classes. As usual the Clean-up Committee was composed of Freshmen.

The weather was fine, Wolohan's music was smooth, and spirits were bright, making for an evening easy to remember.

The dance proved to be the high point of student social activities for the first semester due to the classes' co-operation.

UNDERCLASSMEN

JUNIOR A

TOP ROW, left to right: *G. Hubbard, P. Fennelly, M. Schirmer, E. Alvarez, R. Alves, R. Caporgno, A. Bischoff, L. Smith.*

SECOND ROW, left to right: *A. Schatz, T. Lastiri, D. Kennedy, P. Mondello, A. Anderson, J. Slenter, W. Fitzgerald, R. Bergman.*

FIRST ROW, left to right: *K. Besse, R. Silva, V. Benedetti, T. Bristol, D. Charlebois, H. Boscovich, V. Kulberg.*

ABSENT: *A. Zunino, E. Barbera.*

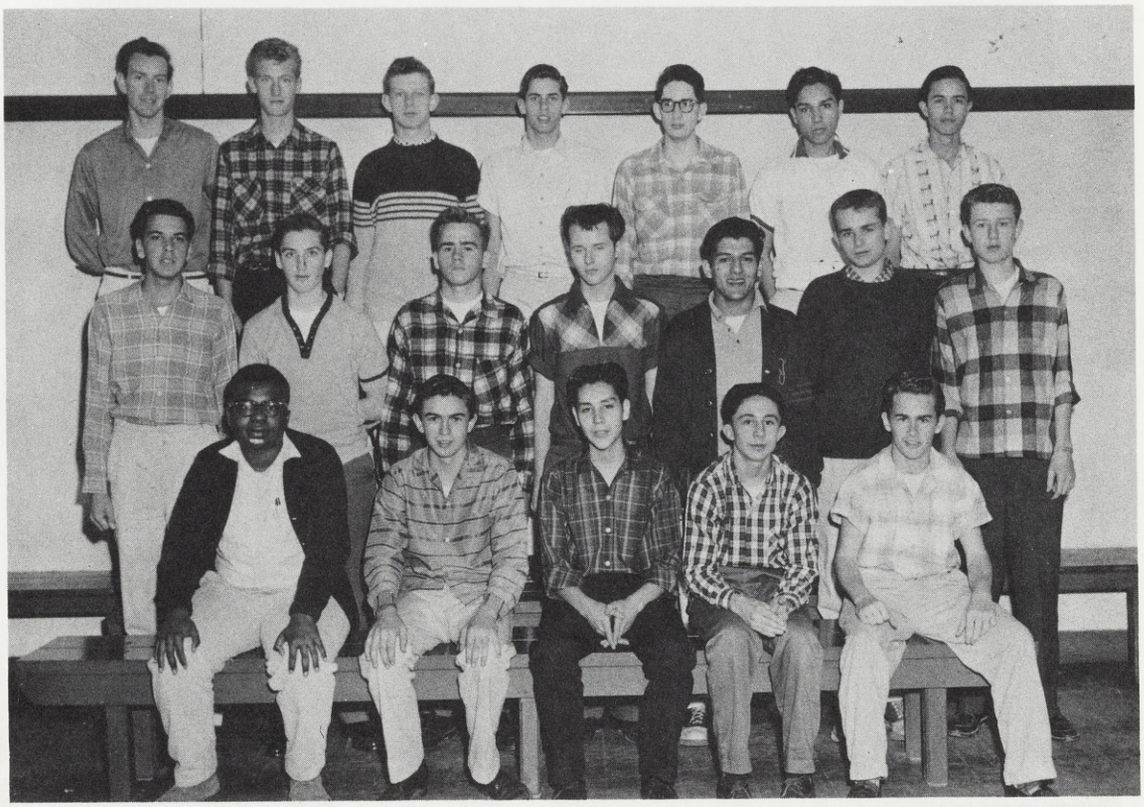
Junior A started the year right by electing Adelio Zunino, president, Mike Schirmer, vice-president; and Phil Mondello, secretary-treasurer.

Sodality members of this class were Harold Boscovich and Edward Barbera. The acting bug also attracted Harold Boscovich to a fine performance in "Twelve Angry Men".

Varsity basketball called upon the services of Mike Schirmer, a dead shot who bears close watching. Phil Mondello offered his arm to baseball as a pitcher. Mike Schirmer was the lone Block Club member.

Brother Charles Weiss, S.M., was the class moderator.

JUNIOR B



TOP ROW, left to right: *T. Murray, J. Collins, J. Berg, J. Thomas, D. Lee, J. Devine, J. Perry.*
SECOND ROW, left to right: *J. Medeiros, D. Stokes, J. Keaney, P. Hoerst, J. Rogers, T. Stanley, J. Kuch.*
FIRST ROW, left to right: *J. Brown, R. Pene, H. Lopez, J. Collins, R. Finkes.*
ABSENT: *C. Clausen, G. McCormick, W. O'Brien, F. Porraz.*

Next to the Seniors, Junior B was one of the most active classes in the school. Dave Lee reigned as president; Jim Rogers, vice-president; and secretary-treasurer was Dennis Stokes.

Contact newsmen were Dave Lee, Jim Collins, Jerry McCormick, Joe Thomas, and John Collins. Jim Collins, Clinton Clausen, Dave Lee, and John Collins were the backbone on the Sodality. Footlighters included Felix Porraz, John Collins, Joe Thomas, Bill O'Brien, Pete Hoerst, Clinton Clausen, Jim Collins, Tom Murray, Henry Lopez, and Dave Lee. NFL orators were Jim Collins, Dave Lee, and John Collins. Jury Berg and Clinton Clausen were the class C.S.F. members.

Varsity basketball players were Jim Rogers, Tom Murray, and Jesse Medeiros, all of whom should be the nucleus of next year's team. In the batter's box was Jim Rogers. Tom Murray and Jim Rogers were Block Society members.

Guiding the class was Brother Charles Boglitz, S.M.

Sophomore A flourished under the leadership of class officers: Anthony Guichard, president; Jim Kearney, vice-president; Ernest Coppola, secretary; and Tom Brackett, treasurer.

Sodality members included Anthony Guichard, Francis Wegener, Ron Pieper, Jim Dempsey, Ron Camacho, Joe Elam, and Ed Medeiros. Working on the school newspaper were Mike Brown, John Parker, Francis Wegener, Bob Freuler, and John Collins. Ernest Coppola and Gerald Hinsvark were the dramatic hams. Francis Wegener was the lone NFL speaker of the class. Hitting the books and gaining C.S.F. membership were Ernest Coppola, Anthony Guichard, John Parker, and Francis Wegener. Jerry Firpo, Jim Dempsey and Anthony Guichard worked on the library staff.

J.V. basketball "wizards" were Joe Elam, Tom Waldrip, Mike Pickard, and Anthony Guichard. Tossing the baseball around the mound was Anthony Guichard. Anthony was also the lone class member of the Block Society.

Brother Melvin Silva, S.M., was the class moderator.

This year a new addition to St. Joseph's was the Student Council. It was composed of two representatives from every division, usually the class presidents, who attended weekly meetings, presided over by the Studentbody President, Bob Saake. The group discussed different methods of improving student activities, formulating a school constitution, organizing more and better dances, and stimulating school spirit and co-operation. Most of the time this year was devoted to the writing of a school constitution which will probably go into effect next year. Each member of the Council did his share in composing this constitution which will govern the studentbody of St. Joseph's in future years.

One of the major problems of the Council this year was to find some method of dividing the student fund so that it would benefit the classes proportionately. After several discussions the group was able to reach a satisfactory solution. This year the moderator of the Council was Father Lawrence Mann, S.M.

ACTIVITIES

SODALITY

The Sodality of Mary, founded on the principle of re-Christianizing the world first through personal perfection and devotion to the Blessed Virgin, enjoyed a busy year as the only student spiritual organization.

Under the guidance of Father Lawrence Mann, S.M., the Sodality Director, three cells were formed among the underclassmen. Moderating these groups were Bro. Melvin Silva, S.M. (Junior), Bro. William Marshall, S.M., (Sophomores), and Bro. Bernard Medeiros, S.M. (Freshmen).

Although much of the work carried out by the group goes on unnoticed to the rest of the school, since the Sodality does not seek publicity, many projects and activities took place which were visible for all to admire: the shrine of Our Lady of Lourdes on the 2nd floor hall, the noontime recitation of the rosary in May, participation at the Fifth Annual Marianist Sodality Convention held at Chaminade High School in Los Angeles, and the Sodality reception in May.

SPEECH CLUB

The Chi Rho Mu Speech & Debate Club had a very successful season in this, its fifth year in the Coastal Forensic League Assn. and its second year in the National Forensic League.

Entering many different contests throughout the area, St. Joe's placed high in over-all sweepstakes competition at most of the meets. The Marian Speech Congress at Riordan H.S., the Y.C.S. Tournament at Serra H.S., and the St. Mary's College Speech Congress, along with meets at Abraham Lincoln H.S., James Lick H.S., Salinas Union H.S.. Palma H.S., Marin Catholic H.S., San Jose J.C., Stanford University, and Santa Clara University rounded out a busy schedule.

The club's membership was boosted with the addition of many interesting students from the lower division speech classes. Now that there is full training in every phase of speech work it shouldn't be long before St. Joe's will be taking home first place sweepstakes instead of just a few individual trophies.

Forming the backbone of the group were Phil Steinhart, Bob Saake, and John Sarsfield, all of whom are four year men in the Chi Rho Mu. These three Seniors earned the highest honor given by the NFL, the Degree of Distinction.

The club was under the able direction of Bro. Bernard Medeiros, S.M., who was aided by Mr. Robert Madsen, the assistant speech coach.

This year the St. Joseph Footlighters were very active, having taken part in three major plays.

Since the rehearsals for "Twelve Angry Men", presented by St. Joseph's, and "Ask Me Another", produced in conjunction with Notre Dame, were both held during the first semester, it was necessary for the Dramatics Club to be divided to accommodate players for both productions. Accordingly the experienced senior members offered their services to Notre Dame, while the Junior and Sophomore members overcame inexperience in producing the tense courtroom scenes of "Twelve Angry Men" with their convincing performances. In this play Bill O'Brien, Jim Collins, and Tom Murray were the most convincing jurors. Bill Burke and Phil Steinhart played the lead roles in "Ask Me Another", a farce comedy of the newspaper business.

In the second semester Bob Saake, Phil Steinhart, Bob Murry, and Gary McMahon showed their talent in Notre Dame's second production, "Jenny Kissed Me", another farce comedy, under the direction of Sister Elizabeth, S.N.D.

The moderator and director of our Dramatics Club was Brother Bernard Medeiros, S.M.

The California Scholarship Federation is a distinguished statewide honor society. Membership in the C.S.F. is acquired only by obtaining high scholastic recognition, determined by a definite system of scoring at the end of each semester. Membership is extended automatically to any student who accumulates a total of ten semester points: three points given for each A in a solid subject; one point for each B. If a student is lacking two points or less of the needed ten, he receives $\frac{1}{2}$ point for each extra-curricular activity that he pursues.

Provided that a member qualifies in at least six out of the las seven semesters (only one of which can be in the Freshman year and one must be in the Senior year) he automatically becomes a life member. Congratulations are in order this year to John Sarsfield and Robert Cragin for obtaining life membership. This entitles them to a special C.S.F. seal on their diplomas, the opportunity to try for special scholarships offered by many California colleges, and almost positive assurance of gaining admission to any college. The recognition and benefits of C.S.F. membership are well worth the effort. Brother Roland Hinger was moderator.

LIBRARY STAFF

The library staff had a very busy and fruitful year under the able direction of Brother Charles Boglitz. Assisting Brother in caring for the library's 5,650 books were student librarians: Anthony Guichard, James Dempsey, Gerald Firpo, Patrick Brooks, and John Hauser.

Among the new additions to the library were 40 science fiction books, an unabridged dictionary, and a set of encyclopedias. The library was run very efficiently by being open to the studentbody every day from 12:00 to 12:35 in the afternoon, and after school as long as was necessary.

Among the many new high lights of Contact in its twelfth year of publication were: five issues, an increase over the past few years; really recent news and information; and a staff composed mainly of underclassmen.

The inexperience of the group showed forth in the beginning, but by the time that the last issue came out, they were fully acquainted with the complex arrangements of newspaper work and were accepted by the studentbody as a whole.

The experience that they gained this year, plus the enthusiasm and interest that they exhibited, points the way for an even bigger and better Contact in future years.

The faculty advisors were Bro. Bernard Medeiros, S.M. (Publication) and Bro. Melvin Silva, S.M. (Business).

This year's Powerdive, as you have probably noticed, is a new "annual". New, in that it is 1½ times larger than ever before, a modern type cover and copy, and more space for all of the activities. In order to bring you this yearbook, the Powerdive staff had to work very hard, both in preparing the book and in getting business patrons in order to keep the price of the book down. Many thanks to the Senior staff for their tireless work in making this yearbook possible.

Coach Jim McBride's Varsity squad didn't quite live up to expectations but through no fault of his own.

Everything looked good for a successful season with three returning lettermen, Rich Dwelly, Mike Hallisey, and Tom Goldt, plus a couple of promising players up from the J.V.'s of last year. But in the first game against Sacred Heart Tom Goldt broke an ankle, and Jim Rogers wrenched his knee during the second game of the season against San Lorenzo. They both rejoined the squad for the second half of league action but the team just couldn't shape up to its pre-season potential. So these key injuries played an important part in the team's win and loss record.

The seniors dominated the squad with six players, the juniors followed with four players, and the lone sophomore member was Dave Matteri.

High lights of the season included victories over San Lorenzo, Concordia, Mission, and St. Francis (2). Other fine points include a one point loss to Emery, the undefeated Bay County Athletic League champion, and a two point loss to Marin Catholic in a sudden death triple overtime.

Mike Hallisey, the team captain and floor leader, who led the team in scoring. and Tom Goldt, who had the highest scoring average on the team, were both awarded ALL CATHOLIC honorable mention.

Next year's club will probably be built around Mike Schirmer, a consistent scorer and a fine ballhandler, Jim Rogers, a fiery junior with real spirit, and Dave Matteri, a great little soph with a good eye and lots of hustle.

Although Jim McBride had to serve in the dual capacity as both Varsity and Junior Varsity coach, he still was able to round out a team, from inexperienced Freshmen and Sophomores, that provided many thrills and a fair number of victories. Included among the victims were San Lorenzo, San Leandro, Arroyo, Concordia, Emery, and St. Francis.

Eighteen different players were on the team at one time or another, with one being raised to the Varsity, and some leaving the team because of low grades or a lack of time. With these conditions it was quite hard to get a squad together that could really act as a unit, but they produced valuable experience for all, and strengthened the chances for both a stronger Varsity and J.V. next year.

Those showing Varsity promise were Joe Elam, the team captain, Charlie Baumgartner, John O'Shaughnessy, and Tony Guichard.

Due to a late basketball season, St. Joe's Varsity Baseball squad didn't "come out of moth balls" until the first week of March. However, the late start didn't bother them for about fifty prospects answered the call of spring training. Under Coach Jim McBride's experienced hand, St. Joe's '58 Baseball team was cut down to sixteen players who really began to shape up as a unit.

The Freshman division contributed many promising players including Freddy Faiella, second base, Joe Castelluccio, outfielder, George Canney, pitcher, Jim Henry, outfielder, Tom Ravazza, pitcher, and Roger Guichard, who seems well able to fill the bill as catcher for the next three years. New from the Sophomores were Mike LaTorre and Mike Pickard, outfielders. Jerry McCormick, a Junior who played first base, rounded out the new squad members. Forming the nucleus of the Varsity were some fine returning lettermen: Bob Cragin, left fielder, Len Travers, pitcher, Ken Perry, third base, - all seniors; Jim Rogers, shortstop, Phil Mondello, first base, - Juniors; Tony Guichard, center field and pitcher, and Dave Matteri, second base, - Sophomores.

With a rather shortened practice session St. Joe's dropped their first encounter to Emery, 4-2, and lost a seventh inning thriller to Concordia, 4-3. Then the rains began, bringing everything to a grinding halt. Play resumed with league action about two weeks behind schedule, thus making final individual statistics, ALL-CAL honors, and the completed scores unavailable for Powerdive's deadline. With just a few games over, vast improvements can be already noticed between this year's team and past teams, especially by comparing scores.

With Jim McBride as coach, a returning supply of good seasoned players, and possible rookie talent, the future looks very bright for St. Joe's Varsity Baseball team.
